Subject: Revised File Formats – New Trading & Clearing Platform (Amendments Incorporated)

In continuation of the aforesaid Circular No. IIBX-TECH-2026-071 dated August 12, 2026, the Exchange is issuing the revised Back-Office file formats incorporating certain amendments/updates. Members are requested to take note of the revised formats and undertake the necessary changes in their respective Back-Office Software, wherever applicable, to ensure compatibility with the revised file formats.

Members are advised to take note of the above and ensure the necessary preparedness and readiness at their end for a smooth and seamless transition to the new platform.
