Attachment	**File_Formats_For_New_Spot_Trading__Clearing_Platform_Version_v.1.2**		

Subject: Revised File Formats– New Trading & Clearing Platform (Amendment Incorporated for Point 17: ITR Files)

In continuation of Circular No. **IIBX-TECH-2026-071 and 075**dated **August 12, 2026**, the Exchange hereby issues the revised Back-Office file formats incorporating the amendments and updates, including the changes pertaining to **Point 17 – Intraday Trade Report File**.

Members are advised to take note of the revised file formats and implement the necessary changes in their respective Back-Office systems to ensure seamless compatibility with the New Trading & Clearing Platform.

Thanks & Regards
Neeraj Gupta
