

01
Exempted from IGCR rule

The TRQ holder when importing through IIBX become direct importer and thus exempted from IGCR rule.

02
**Only 14% Custom duty
No need of Bond for 1%**

Payment of only 14% of Custom Duty. No need to block 1% of Custom Duty as Bond to Holders need not to deposit 1% of Custom Duty value with their intermediaries.

03
Q1-TRQ holders no need to re-register

Seamless TRQ Imports for Q1s: Q1s can import their TRQ (Tariff Rate Quota) gold through IIBX without the need for re-registration for TRQ.
